Dear Church Family,

I wanted to take a moment to personally express my gratitude for the incredible journey we've been on together. God's faithfulness has been evident in every step, and there is so much to celebrate.

This past week, we had a truly special evening as we gathered with over 80 of our amazing volunteers at Northside. It was a joyful occasion, filled with laughter, love, and deep appreciation for all that God is accomplishing through the various ministries of our church.

At Northside, our vision is clear: "to be a loving community that reaches, restores, and releases every person to expand God's Kingdom." It's a vision that has united us and propelled us over the past few years. I am also humbled by the ways in which our community embodies our core values of being "presence-focused, faith-filled, and servant-hearted."

As we look ahead, I am excited to invite all current members and those interested in membership to join us **after our service** on **June 4th** for a special gathering. Our **Annual General Meeting (AGM)** is not just a formality but a time for us to come together, connect, and share our hearts. During this meeting, we will discuss the financials from 2022, allowing transparency in our stewardship. Additionally, our pastoral team will update us on the current ministries and initiatives we have been involved in, sharing the remarkable ways God has been at work in and through us. Moreover, we will discuss our vision for the upcoming year, seeking God's guidance and direction as we continue to serve Him faithfully.

I want to emphasize that your presence at the AGM is incredibly valuable. Your voice matters, and this meeting is an opportunity for us to hear from each other, share insights, and make decisions that will shape our path forward. Let us come together in unity, celebrating the milestones we have reached and envision together the exciting future we have as a church.

Thank you, church family, for your dedication, passion, and love. I am grateful for each and every one of you and I pray that as we come together, we will sense God's presence, purpose, and power throughout our church.
